Deaf Awareness Weekend
September 11 & 12, 2004

Deaf Awareness Weekend is hosted by Silver Dollar City and the Missouri Commission for the Deaf and Hard of Hearing. This special event is designed to make the park more enjoyable for people with hearing loss, and to help the general public become more aware and understanding of people who are deaf and hard of hearing. **On Saturday, September 11, there will be information booths** set up in the entrance area of Silver Dollar City, with interpreters located at the shows and at the Guest Relations Booth.

During this special weekend event, Silver Dollar City is proud to present America's best and most unique crafts at our ***Festival of American Music & Craftsmanship***, honoring the voices and hands that fashion our heritage by bringing you the best of America through music, crafts and food! From a stirring Lewis & Clark tribute to the NEW *Can't Stop Dancing* production and the Best of Missouri Hands, it's the heart & soul of Silver Dollar City festivals.

The *Festival of American Music & Craftsmanship* runs September 9 – October 30.
(Open Wednesdays-Sundays from 10am – 6pm; Saturdays 9:30am – 7:00pm)
